

LAKESIDE HOTEL & SPA

WEDDINGS

THE START *of* YOUR DAY

Experience the warmest of welcomes at Lakeside... this peaceful haven enjoys an idyllic setting at the southern tip of Lake Windermere, a stunning location for your special day. Originally a 17th Century Coaching Inn it is now a luxury four star hotel and spa – the perfect setting to tie the knot. Our Jetties and Gardens are a breath-taking back drop for your everlasting wedding photographs.

Licensed for civil wedding ceremonies, Lakeside allows you to host your entire day at our venue. With a varied selection of function rooms, there truly is an option for everyone. Your day will be designed by you – every step of the way with our dedicated, professional team leaving nothing to chance, to ensure a unforgettable experience for you and your guests.

MAKE *an* ENTRANCE

Our Grand Lobby sets the tone for your special day as your guests are welcomed in by the lakeside team. Your wedding party can gather in our expansive conservatory soaking up the lake views as they wait to be called into your wedding ceremony. For larger parties, our Lakeside Suite awaits up the grand staircase. The high ceilings and domed skylight create natural light cascading through the room. A double door entrance ensures a memorable first look of the bride and her bridal party.

For more intimate weddings, our Oak Room's character and charm makes for a stunning space for your ceremony and wedding breakfast. The stained glass windows paired with the historic wooden panelling creates a unique and timeless atmosphere to exchange your vows and celebrate your wedding. Ching Ching! Say cheers overlooking nothing but the lake. Both our Lawn and Conservatory are a stones throw from the shore – come rain or shine the lake will be the view for you and your guests.

IT'S ALL *in the* DETAIL

Whichever wedding package you finally choose for your day we will include:

Guidance and assistance from our dedicated team to help you through the planning and organisation of your wedding day

Use of the house and extensive grounds for all your photography
