The Cotswolds

WEDDINGS

THE START *of* YOUR DAY

Every second of your day is precious from the moment you arrive to your final farewells. So it goes without saying that the setting you choose must be perfect.

In the heart of the Cotswolds with simply stunning views across the beautiful rolling English countryside, Charingworth Manor has everything you could wish for as a venue for the most important day of your life. The manor itself with its mellow Cotswold stone dating back over 700 years is steeped in history and romance; it nestles in over 40 acres of beautifully tended gardens, lawns and grounds, all adding to its unique charm.

The overall effect is one of tranquillity and style with a touch of luxury – somewhere that will be unforgettable, not just for you but for everyone who shares your day.

We would love to give you the opportunity to feel the atmosphere at Charingworth Manor, enjoy a stroll around and take in the panoramic views for yourself. You can pick out the best spots for your photography at the same time!

Nothing is too much trouble for our Wedding Team who will be delighted to talk with you and tell you more about how we can turn your day into something exceptional.

MAKE *an* ENTRANCE

Charingworth Manor has always been a popular choice for weddings, offering you the charm and character of a 700 year old Manor set in the heart of the Cotswolds with beautiful views of the surrounding countryside.

Our beautiful new Orangery has been stylishly designed to complement this ancient manor house and is ideal for wedding ceremonies for up to 120 guests, followed by your drinks reception either on its own private terrace, or on our manicured lawns, before your wedding breakfast, for up to 150 guests overlooking the panoramic views of the Cotswold countryside.

For those looking for a more intimate setting for either a Civil Ceremony followed by your wedding breakfast or just a wedding breakfast, you can choose from either the Upper Conservatory that opens out onto the hotel's main lawn or

the charm of the John Greville Restaurant in the heart of the manor house which also leads out onto the hotel's terrace where you can enjoy the sensational views overlooking the Cotswold Hills.

At Charingworth we are now delighted to be able to offer a humanist wedding ceremony within our grounds followed by a wedding breakfast in our Orangery.
