POOCH MENU

Bowl-licking Chicken

(White Rice and Chicken breast fillet)

Includes carbohydrates which most dog meals are lacking because there is always the misconception of dogs not needing carbs when they actually do.

£8.95

Pawpeye

(Scrambled Egg, Spinach & Tuna)

Eggs are actually good for your dog as they have good digestible protein and a range of vitamins. (EG)(FI)

£8.95

Chicken Woof-Salad

(Chicken fillet with seasonal vegetables)

This chicken salad is as healthy as it gets. With fresh greens and free-range chickens, this is the ultimate dog detox meal.

£8.95

Pawlicious

(Yogurt, strawberries & blueberries)

Dogs need calcium as well as humans and they are not getting enough unless they are taking supplements or vet approved dog food. (DA)

£4.95
